Tune of the day For all those with P7s marking their last day at primary school today and all those across the city and Aberdeenshire finishing up for the summer, here's [Freed from Desire](#) by GALA. Relief medical secretary Lizzie Russell (who shares our confusion about why that song is so popular once again) would like to give a special shout out to Quarry Hill folk.

The whole Integrated Family Portfolio would like to wish Cheryl Slater farewell and best of luck as she embarks on a new and exciting adventure as a clinical educator elsewhere in Scotland. You may know her from past Daily Brief glory involving broccoli and cheese bakes in the canteen. Cheryl will be so missed but especially so by her colleagues in Practice Education & Development. In honour of today being her last day of employment with NHS Grampian, the team would like to dedicate [Somebody That I Used To Know](#) (feat. Kimbra) by Gotye to Cheryl.
