Dear Graham,

LEANCHOIL HOSPITAL

Just a very short note to confirm that Grampian Health Board can confirm its consent to sell the former Leancoil Hospital to Leancoil Trust as a Community Asset Transfer for the sum of £340,000 only.

We very much appreciate all the work that the Community Council have undertaken to progress matters to this advanced stage and wish the Community Council success in securing the monies to take Leancoil into community use and preserve its next stage of servicing the Forres Community.

Yours sincerely,

A handwritten signature in black ink that reads 'Alan Gray'.

Alan Gray
Director of Finance
