WHAT TO EXPECT?

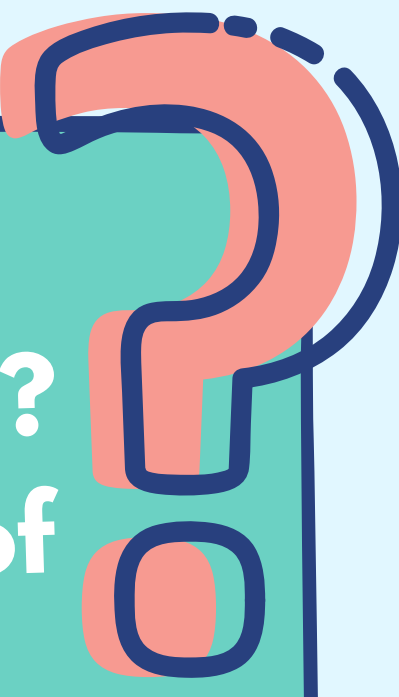

Each space for listening comprises a group of up to eight people, meeting together over Teams, for about one hour in total.

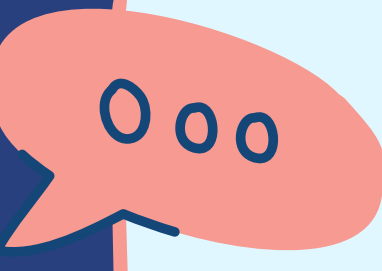

There are three rounds of timed contributions - 2 minutes per person, in each round.

There is a prompt for each round:

- Round 1: How are you, and what's on your mind?
 - Round 2: Any reflections or feelings in the light of Round 1?
 - Round 3: Anything to take away, and anything that has resonated, which you have appreciated?
- 

Everyone takes a turn in a pre-set order. The host is also an equal participant.

Everyone can use their time to say whatever they like; the host will indicate when the time is up.

Participation is voluntary and anyone can 'pass' when it is their turn.

When the eighth person has spoken in Round 3, the session ends.
