

The dentist will talk to you about your teeth.

## Going to the dentist

This will help me to understand what happens when I go to the dentist. Please read it with me and look at the photos.

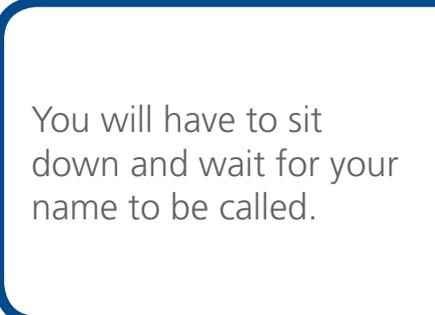

This publication is also available in large print and on computer disk. Other formats and languages can be supplied on request. Please call Equality and Diversity on 01224 551116 or 552245 or email [grampian@nhs.net](mailto:grampian@nhs.net) Ask for publication CGD 100251

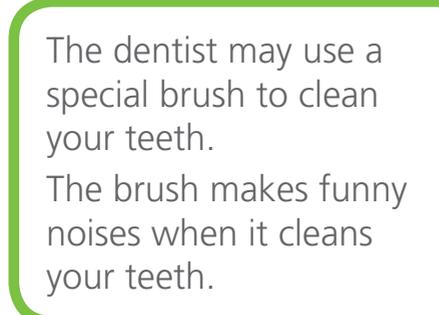

When you get to the dentists, go to the desk and tell staff your name.

The dentist will ask you to **OPEN** your mouth **WIDE**.  
The dentist will use a mirror to look in your mouth.

You will have to sit down and wait for your name to be called.

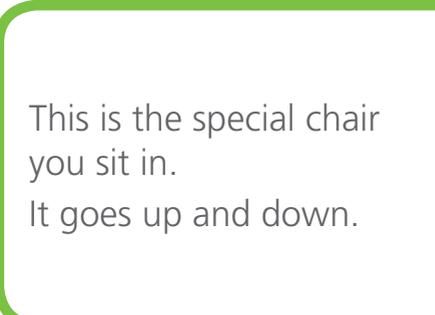

The dentist may use a special brush to clean your teeth.  
The brush makes funny noises when it cleans your teeth.

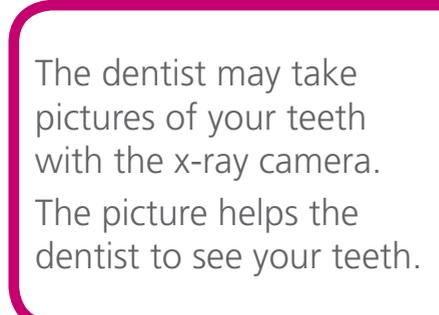

The dentist may use a tube. It takes the water out of your mouth.  
The tube makes a funny noise.

You will go to a room to see the dentist.  
Your friend or carer can come with you.

This is the special chair you sit in.  
It goes up and down.

The dentist may take pictures of your teeth with the x-ray camera.  
The picture helps the dentist to see your teeth.
