

POSITIVITREE

“Dedication of hospital staff.”

“Marvellous NHS volunteers especially in Vaccine clinics.”

“District Nurses Amazing.”

“The continuing high standards of care in such a challenging situation.”

“Empathetic.”

“Our local surgery have been fantastic during the pandemic.”

“Health professionals (nurses and doctors) have usually still taken their time to see me, even if they were overwhelmed with patients and work.”

“Excellent care from GP practice.”

“Staff were empathetic towards relatives unable to visit and tried iPads and window visits to be as stress free as possible.”

“Hard work of SAS who couldn’t refuse face to face.”

 **Thank you**
