

## QUICK GUIDE

### HOW TO COMPLETE THE FAMILY HISTORY QUESTIONNAIRE

- Please complete the front page with your details, especially your preferred contact telephone number.
- If completing this form on behalf of your child, please include family details for both of your child's biological parents.
- We have included questions about your gender history and family history as this is relevant to the overall assessment of the condition you or your family are concerned about.
- Please include everyone who is in your biological (blood-related) family. Please include parents, siblings, parent's siblings, and grandparents.
- Please be assured that we do not contact any family members that you list without discussing this with you first.
- If you do not have the information, please complete as far as possible and then email the completed questionnaire to [gram.clinicalgenetics@nhs.scot](mailto:gram.clinicalgenetics@nhs.scot) (please send as a pdf or word document only as other formats will not be accepted).
- If you have any questions about completing this questionnaire please call 01224 552120 (Aberdeen) or 01463 705823 (Inverness) and we will be able to help you.
