

**Alan Wilson,
Director of Infrastructure,
Sustainability and Support Services**

Alan Wilson, PgD, CMgr, MCMI, CEng, MIET, is a highly accomplished professional with extensive experience in leadership, engineering, capital investment and facilities management within the healthcare sector. Alan has over 28 years experience, having previously worked for NHS Fife in a number of roles before moving to NHS Highland to take up the post of Director of Estates, Facilities & Capital Planning. Alan then joined NHS Grampian in January 2024 as Director of Infrastructure, Sustainability & Support Services.

Alan is a Chartered Engineer and a member of the Institution of Engineering and Technology (IET) and the Engineering Council. He is also a Chartered Manager and a member of the Chartered Management Institute (CMI). His expertise spans technical proficiency, strategic planning, decision-making, and fostering a culture of engagement and respect among stakeholders. Alan passionately believes in promoting compassionate leadership and colleague engagement in order to help to shape the culture of the organisation and is the executive lead for Whistleblowing for NHS Grampian.
