Dear <Patient>

As a patient of Inverurie Medical Group, we write to inform you that the practice will end its contract with NHS Grampian, on 7 September 2023.

We are working closely with Inverurie Medical Group to ensure that the care and services you currently receive continue as normal and there is no need for you to register with a new GP practice.

The Aberdeenshire Health & Social Care Partnership (AHSCP) along with the practice will keep you informed throughout the process and whilst this may be an unsettling time, we are committed to doing all we can to make the process as smooth as possible.

I have attached some frequently asked questions which I hope help to explain the process and the current situation.

If you have any queries, please call **03456 081206** or you can email aberdeenshireHSCP@aberdeenshire.gov.uk

If your query relates to appointments or healthcare, please contact the practice as normal or by visiting their website at <https://www.inveruriemedicalpractice.scot.nhs.uk/>

Thank you for your co-operation and understanding during this time of change.

Yours sincerely

Alex Pirrie
