Proposed application for a New Pharmacy at Cloverhill, Bridge of Don, Aberdeen

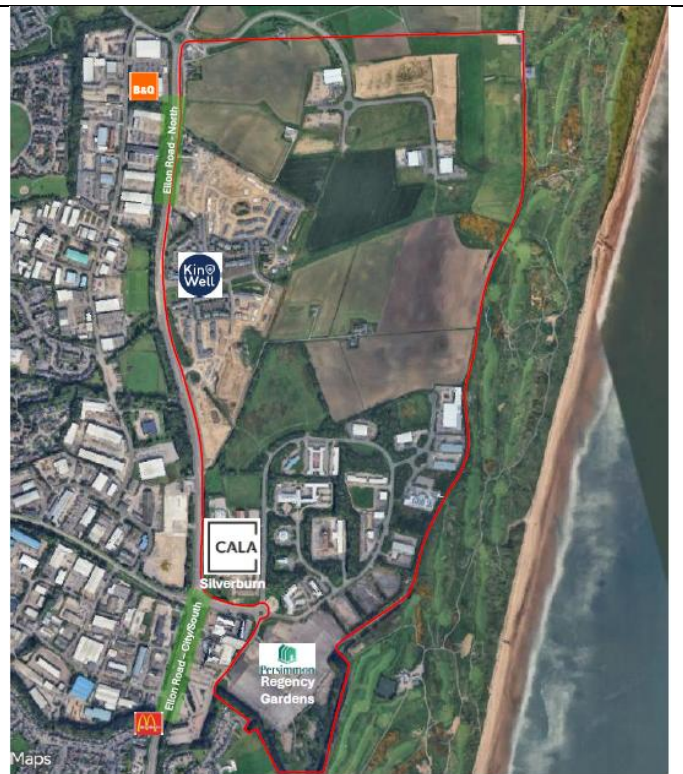

NHS Grampian has been consulting with Mohsin Mian, MPharm, Director of KinWell Pharmacy Ltd., who has applied to open a new pharmacy at Unit 1, Cloverhill, Bridge of Don, Aberdeen, AB23 8BD. Proposed name: **KinWell Pharmacy**.

When a new pharmacy application is made, the local Health Board must assess if the residents where the new pharmacy is proposed to open, feel a new pharmacy is **necessary** or **desirable**.

The proposed neighbourhood is centered on Cloverhill and includes the adjoining residential developments at Silverburn and Regency Gardens.

It is bounded to the west by the A92 (Ellon Road), with the neighbourhood remaining entirely east of the A92.

The boundary follows recognisable roads and physical features to define the area for the statutory public consultation.

KinWell Pharmacy plans to provide the following services should the application be granted:

<u>NHS Services</u>	<u>Private Services</u>
<ul style="list-style-type: none"> • NHS dispensing services • Pharmacy First consultations and treatment services • Acute medication supply services • Chronic Medication Service (CMS) support • Public health services and vaccinations (where commissioned) • Emergency hormonal contraception services • Repeat prescription management • Prescription collection and delivery services • Health promotion and preventative healthcare services 	<ul style="list-style-type: none"> • Travel health consultations and vaccinations • Private vaccination services • Weight management services • Ear wax removal • Health screening and diagnostic testing • Occupational health services • Pharmacy-led health and wellbeing consultations

KinWell Pharmacy plans to provide these services at the following times:

Monday to Friday: 9 am – 6 pm

Saturday: 9 am – 1 pm

Sunday: closed

To assess the need for a new pharmacy in Cloverhill, Bridge of Don, NHS Grampian and KinWell Pharmacy are required to undertake a joint public consultation to:

- a. Assess the current provision of pharmacy services in the proposed area and whether it is adequate.
- b. Establish the level of support from residents in the proposed area for the application.

People who live within the neighbourhood area and wish to be involved are invited to provide their views in respect of:

1. The pharmacy services being offered by the proposed applicant.
2. Any gaps in existing pharmacy service provision.
3. If the pharmacy services being offered by the proposed applicant would work alongside and fit in with other NHS services already provided in that area.
4. If the pharmacy services being offered by the proposed applicant would negatively or positively impact on other NHS services in the area.
5. The community area being proposed by the new pharmacy.
6. The location and proposed opening hours of the new pharmacy.

The consultation report and findings will be made available to interested parties.
