- Antenatal care and inpatient postnatal care identified as key areas for improvement and collaboration opportunity – to take improvement work forward with MVPs.
- Support engagement around fertility webpages
- Gauge interest with partners for setting up and chairing a Grampian/North East Perinatal and Infant Collaborative
- Dates for SLWGs to review BiG web content to be set
- Set date for MVP Network meeting in Autumn
- Review card design submissions and progress to print.
- Share HV feedback from Aberdeen City PEEP engagement with HV team

Future Plans

- Reach out to Muslim, Ukraine and Syrian hubs/groups
- Take forward Care Assurance and Reflection Tool (CART) feedback with senior midwives
- Recreate digital experience tree for Maternity services

Maternity Voices Partnership

Local area meeting dates

Aberdeen City MVP 23rd May, 4th July

Central & South MVP April, 26th June

Moray & Banff MVP 17th May, 26th July

North Aberdeenshire – not currently active, seeking volunteer chair.

Welcome to Aberdeen City MVP's new co-chairs, Arleen Cameron and Louise Dredge. Both Arleen and Louise are doulas with Aberdeen Birth Collective (ABC).

The Central and South MVP is active again thanks to co-chairs Penelope Peacock and Victoria White for volunteering to lead this group.

Birth in Grampian Website Review

Clinical leadership has been identified to allow us to begin reviewing content on the Birth in Grampian website <https://www.birthingrampian.scot.nhs.uk/>

This will be carried out in collaboration with lived experience representatives that have been identified through recent engagement sessions and the MVP. Following feedback, the review will begin with these tabs:

- Your Health & Wellbeing
- Infant Feeding
